ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

The matter of the forensic protocol has been referred to me for resolution. (Dkt. 53.) The Court will schedule a conference (to take place via Microsoft Teams) to discuss the relevant issues. The Court has reviewed the correspondence the parties have sent to the Court addressing the dispute. To the extent the parties cannot agree upon any disputed issues by the time of the conference, the Court will decide them after hearing the parties. In the meantime, the Court has determined the following issues based on a full review of the record: (1) The forensic search will be conducted by Archer Hall; and (2) the protocol shall incorporate the 5 items to which Defendant "was open" as set forth on page 2 of his January 5, 2024 letter (Dkt. 52).

SO ORDERED.

A handwritten signature in black ink, appearing to be "RWL" with a stylized flourish.
